January 4, 2023

WESTPORT, Conn., Jan. 04, 2023 (GLOBE NEWSWIRE) -- Compass Diversified (NYSE: CODI) ("CODI" or the "Company"), an owner of leading middle market businesses, announced today that its Board of Directors (the "Board") has declared a quarterly cash distribution of \$0.25 per share on the Company's common shares (the "Common Shares"). The Board also declared a quarterly cash distribution of \$0.453125 per share on the Company's 7.250% Series A Preferred Shares (the "Series A Preferred Shares"). The distribution on the Series A Preferred Shares covers the period from, and including, October 30, 2022, up to, but excluding, January 30, 2023. The distribution for such period is payable on January 30, 2023 to all holders of record of Series A Preferred Shares as of January 15, 2023.

The Board also declared a quarterly cash distribution of \$0.4921875 per share on the Company's 7.875% Series B Preferred Shares (the "Series B Preferred Shares"). The distribution on the Series B Preferred Shares covers the period from, and including, October 30, 2022, up to, but excluding, January 30, 2023. The Board also declared a quarterly cash distribution of \$0.4921875 per share on the Company's 7.875% Series C Preferred Shares (the "Series C Preferred Shares"). The distribution on the Series C Preferred Shares covers the period from, and including, October 30, 2022, up to, but excluding, January 30, 2023. CODI's common and preferred cash distributions should generally constitute "qualified dividends" for U.S. federal income tax purposes to the extent they are paid from "earnings and profits" (as determined under U.S. federal income tax principles), provided that the requisite holding period is met. To the extent that the amount of the cash distributions exceeds earnings and profits, such distribution will first be treated as a non-taxable return of capital to the extent of the holder's adjusted tax basis in the shares, and thereafter be treated as a capital gain from the sale or exchange of such shares. CODI expects cash distributions will exceed earnings and profits in the 2022 taxable year. In addition, shareholders subject to tax rules regarding "unrelated business taxable income" (or "UBTI") will no longer be allocated UBTI from CODI, allowing ownership by certain retirement accounts that previously created tax implications.
