# **CODI Investor Presentation**

AUGUST 2023

This presentation contains certain forward-looking statements within the meaning of the federal securities laws. These statements may be made a part of this presentation or by reference to other documents we file with the SEC.

Some of the forward-looking statements can be identified by the use of forward-looking words. Statements that are not historical in nature, including the words "anticipate," "may," "estimate," "should," "seek," "expect," "plan," "believe," "intend," and similar words, or the negatives of those words, are intended to identify forward-looking statements. Certain statements regarding the following particularly are forward-looking in nature: future financial performance, market forecasts or projections, projected capital expenditures; and our business strategy.

All forward-looking statements are based on our management's beliefs, assumptions and expectations of our future economic performance, taking into account the information currently available to it. These statements are not statements of historical fact. Forward-looking statements are subject to a number of factors, risks and uncertainties, some of which are not currently known to us, that may cause our actual results, performance or financial condition to be materially different from the expectations of future results, performance or financial position. Our actual results may differ materially from the results discussed in forward-looking statements. Factors that might cause such a difference include but are not limited to the risks set forth in "Risk Factors" included in our SEC filings.

In addition, our discussion may include references to Adjusted Earnings, Adjusted EBITDA, EBITDA, cash flow, or other non-GAAP measures. A reconciliation of the most directly comparable GAAP financial measures to such non-GAAP financial measures is included in our annual and quarterly reports in Forms 10-K and 10-Q filed with the SEC as well as the attached Appendix.

### Who is CODI?

Compass Diversified (NYSE: CODI) owns and manages a diverse group of leading middle-market businesses

Long-term ownership approach through permanent capital base

Founded in 1998, came public in 2006

Currently own and manage seven branded consumer and three niche industrial subsidiaries

Provide shareholders access to leading middle market businesses through public company transparency and liquidity

### **How Are We Different?**

Permanent Capital is Strategic Capital.

Permanent capital structure & longterm holding horizons allow us to:

- Deploy capital patiently
- Withstand short-term market distortions
- Act swiftly when others are sidelined

Owning Uncorrelated Assets Drives Lower Cost of Capital.

Track record of scaling diverse assets has consistently:

- Reduced our cost of capital
- Increased shareholder returns
- Deepened our economic and competitive moat

# Clear Alignment with Investors.

Since we finance acquisitions at the parent company level vs. separate companies (à la traditional private equity):

- We bear the risk alongside our shareholders

### **Our Permanent Capital Advantage**

Long-term, Opportunistic Approach in Sectors with Management Expertise

- Partner with management teams to sustainably build businesses for the long-term
- 25 years of experience in branded consumer and niche industrial verticals
- Strong balance sheet provides certainty and speed to close

nN\$

Value Creation Through Actively Partnering with Management

- Permanent capital drives long-term value creation through:
  - Building management teams
  - Investing in lasting infrastructure
  - Organic growth and add-on acquisitions

### Superior Governance and Transparency

- Compensation structure aligns interest of shareholders and management
- Quarterly reporting = transparency
- Majority of board is independent
- History of waiving management fees
  when appropriate
- Large and growing ownership of CODI shares by manager partners and employees

## **ESG Framework**

### OVERVIEW

Clean Earth is a provider of environmental services including decharacterization, remediation, disposal, recycling, and beneficial reuse for hazardous and non-hazardous wastes, contaminated soil, wastewater and dredged material. Clean Earth serves a variety of industries including infrastructure, chemical, utilities, industrial, commercial, retail, and healthcare markets.

### **COMPETITIVE STRENGTHS**

#### Market share leader

Significant portfolio of regulatory permits, processing knowledge and equipment

Benefits from strengthening and enforcement of environmental regulation

Increasing waste disposal costs and landfill avoidance trends

Strong management team; average tenure of approximately 10 years

### **CODI's Active Management in Action**

- Worked with management to execute an aggressive add-on acquisition strategy, repositioning the company's end markets and customer base while broadening its facility footprint and permit portfolio.
- Completed accretive add-ons of seven environmental services providers, representing ~\$100M of annual revenue and expanding the Company's footprint from 12 to 27 fixed facilities across the U.S.
  - Transformed revenue mix from primarily soil to majority hazardous waste treatment, which is higher margin, more programmatic and less indexed to macroeconomic fluctuations
  - Shifted contaminated materials end markets from primarily commercial to majority infrastructure
  - Developed advanced reporting and analytical systems to manage operational integration and track performance of the add-ons
- Successfully targeted fragmented hazardous waste treatment market, acquiring 8 valuable RCRA Part B permits to expand processing capacity and capabilities (no new commercial Part B permits issued in over 30 years)
- Deployed capital through proprietary transactions at accretive valuations in a high-multiple environment

### Results

- Sold June 2019 to Harsco Corp. (NYSE: HSC) for \$625M (\$251M purchase price)
- Chris Dods, CEO of Clean Earth stated: "The momentum that [CODI] helped create will provide us with a strong platform for the future."

# **C-Corp Tax Reclassification Benefits**

Creates clear alignment with investors by simplifying corporate structure and attracting additional investors

NOTE: Reclassified to C-Corp on September 1, 2021

We believe there are significant benefits to reclassifying as a C-Corp

Broadens pool of investors by making it significantly easier for both institutional and retail investors to own CODI shares

- Simplifies tax reporting and uncertainty
- Reduces average cost of capital
  - Increases share liquidity
  - Improves cost of equity capital and shares become more attractive currency

- Included in Russell 2000 and 3000 Index
- Improves profile with rating agencies
- Reduces administrative costs
- Eliminates K-1 and UBTI

### Building on 16+ years of success, C-Corp taxation should drive greater value for all CODI shareholders over time
