Item 7.01 Regulation FD Disclosure

On November 18, 2025, Compass Diversified Holdings (the “Trust” and, together with Compass Group Diversified Holdings LLC (the “Company”), “CODI”) received an extension for continued listing and trading of the Trust’s securities on the New York Stock Exchange (the “NYSE”). The extension, which is subject to ongoing reassessment by the NYSE, provides CODI with an additional trading period through January 20, 2026 to file with the Securities and Exchange Commission (the “SEC”) (i) its restated financial reports for fiscal years 2022, 2023, and 2024 through an amendment to CODI’s Annual Report on Form 10-K for the fiscal year ended December 31, 2024 and (ii) CODI’s Quarterly Reports on Form 10-Q for the periods ended March 31, June 30, and September 30, 2025.

The information furnished under this Item 7.01 is being furnished and shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or incorporated by reference in any filing under the Securities Act of 1933, as amended (the “Securities Act”), or the Exchange Act, except as expressly incorporated by reference in such a filing.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This Current Report on Form 8-K contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, including without limitation expectations as to the timing and outcome of the investigation of the Audit Committee of the Company’s Board of Directors, the willingness of the Company’s lenders to provide future relief and/or waivers, the future of Lugano (including the result of its bankruptcy filing) and the lenders’ support thereof, the timing of filing periodic reports and restatements, the amount of any potential misstatements associated with Lugano and the impact any such misstatements may have on CODI’s previously issued financial statements or results of operations, CODI’s beliefs and expectations relating to the anticipated financial and other impacts of internal control failures, and the items subject to investigation and restatement review, and the impacts of any material weaknesses identified and CODI’s remediation efforts and efforts to prepare financial statements. Such forward looking statements may be identified by, among other things, the use of forward-looking terminology such as “believe,” “expect,” “may,” “could,” “would,” “plan,” “intend,” “estimate,” “predict,” “potential,” “continue,” “should” or “anticipate” or the negative thereof or other variations thereon or comparable terminology, or by discussions of strategy that involve risks and uncertainties. These statements are based on beliefs and assumptions by the Board of Directors and management, and on information currently available to the Board of Directors and management. These statements involve risk and uncertainties that could cause CODI’s actual results and outcomes to differ, perhaps materially, including but not limited to: the discovery of additional information relevant to the investigation; the conclusions of the Audit Committee (and timing of those conclusions) concerning matters relating to the investigation; the timing of the review by, and the conclusions of, CODI’s independent registered public accounting firm regarding the investigation and CODI’s financial statements; a further material delay in CODI’s financial reporting or ability to hold an annual meeting of stockholders; the impacts of restatement reviews and the potential need to restate additional periods; CODI’s ability to regain compliance with NYSE continued listing requirements; the cooperation of, and future concessions granted by, CODI’s lenders; control deficiencies identified or that may be identified in the future that will result in material weaknesses in CODI’s internal control over financial reporting; and litigation relating to the investigation, including CODI’s representations regarding its financial statements, and current and future litigation, enforcement actions or investigations relating to CODI’s internal controls, restatement reviews, the investigation described in this Current Report, or related matters. Please see CODI’s Annual Report on Form 10-K for the year ended December 31, 2024 for other risk factors that you should consider in connection with such forward-looking statements. Investors are cautioned not to place undue reliance on forward-looking statements, which speak only as of the date such statements have been made.
