Section 1 Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement

Compass Group Diversified Holdings LLC (the "Company") and Compass Diversified Holdings ("Holdings" and, together with the Company, collectively "CODI," "us" or "we") acquires and manages small to middle market businesses in the ordinary course of its business. The following description relates to the recent divestiture of one such business.

Manitoba Harvest

On February 19, 2019, the Company, as majority shareholder of FHF Holdings Ltd. ("FHF") and as Shareholder Representative, entered into a definitive agreement (the "Arrangement Agreement") with Tilray, Inc., the other shareholders of FHF and a wholly-owned subsidiary of Tilray, 1197879 B.C. Ltd. ("Tilray Subco"), to sell to Tilray, Inc. ("Tilray"), through Tilray Subco, all of the issued and outstanding securities of FHF for total consideration of up to C\$419 million (the "Total Consideration"). The sale of FHF will occur pursuant to a plan of arrangement under Division 5 of Part 9 of the Business Corporations Act (British Columbia) (the "Arrangement").

Pursuant to the Arrangement, and subject to certain customary adjustments, the shareholders of FHF, including the Company, may receive the following from Tilray as consideration for their shares of FHF: (a) C\$150 million in cash to the holders of preferred shares of FHF and the holders of common shares of FHF ("Common Holders") and C\$127.5 million in shares of class 2 Common Stock of Tilray ("Common Stock") to the Common Holders on the closing date of the Arrangement (the "Closing Date Consideration"), (b) C\$50 million in cash and C\$42.5 million in Common Stock to the Common Holders on the date that is six months after the closing date of the Arrangement (the "Deferred Consideration") and (c) C\$49 million in Common Stock to the Common Holders, which amount may be reduced, potentially to zero, if FHF fails to attain certain levels of U.S. branded gross sales of edible or topical products containing broad spectrum hemp extracts or cannabidiols prior to December 31, 2019 (the "Milestone Consideration" and, together with the Closing Date Consideration and the Deferred Consideration, the "Consideration"). The cash portion of the Closing Date Consideration will be reduced by the amount of the net indebtedness of FHF on the closing date and a transaction expense amount of \$5,000,000.

It is the intention of the parties that all stock consideration issued pursuant to the Arrangement will be issued by Tilray in reliance on the exemption from the registration requirements of the U.S. Securities Act provided by Section 3(a)(10) thereof and pursuant to exemptions from applicable securities laws of any state of the United States, such that any shares of Common Stock received by the Common Holders will be freely tradeable. If Tilray is restricted, delayed or prohibited from issuing any Common Stock in connection with the Arrangement, or if the issue price of the Common Stock is less than \$56.37, any amount of the Consideration payable in Common Stock may be paid in an equivalent amount of cash.

The completion of the Arrangement is subject to customary conditions precedent, including the approval of the Arrangement by the British Columbia Supreme Court. Pursuant to the Arrangement Agreement, the shareholders of FHF (severally and not jointly), FHF, Tilray Subco and Tilray each gave customary representations and warranties and indemnities for a transaction of the nature of the Arrangement. The Transaction is expected to close as soon as practicable following receipt of court approval and must occur on or before April 30, 2019, unless otherwise agreed to by FHF and Tilray, and provided that the NASDAQ has completed its review of the Agreement.

The foregoing brief description of the Arrangement Agreement is not meant to be exhaustive and is qualified in its entirety by the Arrangement Agreement itself, which is attached hereto as Exhibit 99.1 to this Current Report on Form 8-K.

submissions of the Parties given by them to the Independent Accountant. The submissions of each Party will be disclosed to the other Party and each other Party will be afforded a reasonable opportunity to respond thereto. 7.3.2 From the date of this Agreement until the earlier of the Closing Date or the Termination Date, the Purchaser will promptly notify the Company in writing of: (i) any breach of or default under this Agreement, or any event that would reasonably be expected to become a breach or default under this Agreement on or prior to the Closing; (ii) any notice or other communication from any third Person (including Health Canada and any other Governmental Authority) alleging that the consent of such third Person (or Governmental Authority) is or may be required in connection with the Contemplated Transactions; and (iii) any notice or other communication from any regulatory authority or body (including NASDAQ) regarding the Stock Consideration.

7.4 Efforts.

Subject to the terms and conditions of this Agreement, each Party will use its commercially reasonable efforts to cause the Closing to occur and to take, or cause to be taken, all actions, to file, or cause to be filed, all documents and to do, or cause to be done, and to assist and cooperate with the other Parties in doing, all things necessary, proper or advisable to complete and make effective, in the most expeditious manner practicable, the Contemplated Transactions.

7.5 Exclusivity.

From the date of this Agreement until the Termination Date, the Company and its subsidiaries and their respective Affiliates will not, directly or indirectly through any officer, director, employee, advisor, representative, agent or otherwise, and the Company shall use commercially reasonable efforts to ensure that the Shareholders do not: (i) make, solicit, assist, initiate, encourage or accept or otherwise facilitate any inquiries, offers or proposals from any Person or group of Persons (other than the Purchaser and its Affiliates and their respective representatives), whether or not in writing and whether or not delivered to the Shareholders, concerning any Acquisition Proposal for the Company or its subsidiary; (ii) engage in any discussions or negotiations regarding, or otherwise co-operate in any way with, or assist or participate in, or facilitate or encourage, any effort or attempt by any Person (other than the Purchaser and its Affiliates and their respective representatives) to make or complete any Acquisition Proposal in respect of the Company or its subsidiary; (iii) furnish any non-public information concerning the business, properties or assets of the Company or any subsidiary thereof to any Person (other than the Purchaser and its Affiliates and their respective representatives) except as required to comply with Applicable Laws or this Agreement or except in the Ordinary Course of Business; or (iv) accept or enter into, or propose to accept or enter into, any letter of intent, agreement in principle, agreement, arrangement or undertaking related to any Acquisition Proposal in respect of the Company or its subsidiary. The Company and its subsidiaries and their respective Affiliates will immediately cease and cause to be terminated all existing discussions, negotiations or other communications with any Persons (other than the Purchaser and its Affiliates and their respective representatives) conducted heretofore with respect to any of the foregoing, and in connection therewith the

Company will discontinue access to any of its confidential information (and will not establish or allow access to any of its confidential information, or any data room, virtual or otherwise). The Company agrees not to release any third party from any confidentiality, non-solicitation or standstill agreement to which such third party is a party, or terminate, modify, amend or waive the terms thereof and the Company undertakes to enforce, or cause its subsidiaries to enforce, all standstill, non-disclosure, non-disturbance, non-solicitation and similar covenants that it or any of its subsidiaries have entered into prior to the date hereof. The Company will immediately notify the Purchaser in writing upon receipt by the Company, any subsidiary thereof or any Shareholder of any proposal, offer or inquiry regarding an Acquisition Proposal in respect of the Company or its subsidiary, or any amendments to the foregoing or any request for non-public information relating to the Company or any of its subsidiaries or for access to the properties, books or records of the Company or any of its subsidiaries in respect of an Acquisition Proposal for the Company or its subsidiary, which notice will indicate in reasonable detail the identity of the Person making such proposal, offer or inquiry and the terms and conditions of any such Acquisition Proposal, or any other details of the proposal, inquiry or offer known to the Company as the Purchaser may reasonably request, and shall include copies of any such proposal, inquiry or offer or any amendment to any of the foregoing. The Company shall keep the Purchaser promptly and fully informed of the status, including any change to the material terms, of any such proposal, inquiry or request and will respond promptly to all reasonable inquiries by the Purchaser with respect thereto.

7.6 Confidentiality.

7.6.1 For a period of two (2) years from the Closing Date, each Party shall keep confidential the terms and conditions of this Agreement and any Trade Secrets, know-how or confidential, personal or proprietary information (including Personal Information) and any financial or business documents or information (collectively, the "Information") received by it from another Party, and the receiving Party shall not disclose any Information to any third party, it being understood that this Section 7.6 is subject to Section 13.11 and that, subject to Section 7.6.1.2, the Purchaser and the Shareholders may disclose Information to their respective advisors. The Purchaser and the Shareholders shall use their respective reasonable efforts to ensure that their respective advisors keep confidential any Information disclosed to them. Subject to Section 7.6.1.2, a Party will not be liable for disclosure of any Information contemplated by this Agreement if:

7.6.1.1 the Information becomes generally known in the industry to which the Business is related or to the public generally other than through a breach of this Agreement;

7.6.1.2 the Information is lawfully obtained from a third party without breach of this Agreement by that Party;

7.6.1.3 the Information was known to the disclosing Party prior to its disclosure by another Party (other than Information known by the Shareholders on confidential basis in respect of the Business, the Company and its subsidiaries);

7.6.1.4 subject to Section 7.6.3, the Information is required to be disclosed under Applicable Laws;

7.6.1.5 in respect of Information that is not Personal Information, the disclosing Party provided its prior written consent to the disclosure of that Information; or

7.6.1.6 in respect of Information that is Personal Information, the individual(s) to whom that Personal Information pertains consented to the disclosure of that Personal Information.

7.6.2 No Party shall disclose any Information to its advisors unless its advisors (a) need to know the Information for the purposes of the transactions contemplated by this Agreement, and (b) prior to the disclosure of any Information by the disclosing Party, agree in writing to be bound by obligations of confidentiality no less strict than those set out in this Section 7.6 with respect to the Information. In addition, the disclosing Party shall not disclose to any third party (including its advisors) any Information that consists of Personal Information unless the individual(s) to whom that Personal Information pertains has consented to that disclosure.

7.6.3 If a Party or any of its representatives is requested or required by Applicable Laws to disclose any Information, that Party shall, without unreasonable delay, notify the other Party of the request or

requirement before any disclosure is made and provide the other Party with a reasonable opportunity to seek an appropriate protective order.

7.7 Public Communications.

A Party must not issue any press release or make any other public statement or disclosure with respect to this Agreement without the consent of the other Party (which consent shall not be unreasonably withheld or delayed), and the Shareholders shall not permit the Company to make any filing with any Governmental Authority with respect to this Agreement without the consent of the Purchaser (which consent shall not be unreasonably withheld or delayed); provided that any Party that is required to make disclosure by Applicable Laws shall use its reasonable commercial efforts to give the other Party prior oral or written notice and a reasonable opportunity to review or comment on the disclosure or filing (other than with respect to confidential information contained in such disclosure or filing). The Party making such disclosure shall give reasonable consideration to any comments made by the other Party or its counsel, and if such prior notice is not possible, shall give such notice immediately following the making of such disclosure or filing.

7.8 Further Assurances.

At any time and from time to time following the Closing, at the reasonable request of any Party, each Party will execute and deliver, or cause to be executed and delivered, such other documents and instruments and will take, or cause to be taken, such further or other actions as any other Party may reasonably request or as otherwise may be reasonably necessary or desirable to evidence and make effective the Contemplated Transactions.

7.9 Tax Matters.

7.9.1 Preparation and Filing of Tax Returns. The Purchaser will prepare or cause to be prepared and file or cause to be filed all Tax Returns of the Company and each subsidiary thereof for all taxable periods that end on or before the Closing Date to the extent such Tax Returns are filed or required to be filed on or after the Closing Date. Such Tax Returns will be prepared in accordance with past practice of the Company and its subsidiaries. The Purchaser will provide drafts of the income Tax Returns described in the preceding sentence to the Shareholder Representative no less than 30 days before the due date for the filing of those Tax Returns (including applicable extensions) to allow the Shareholder Representative to review and comment on each such Tax Return prepared or caused to be prepared by the Purchaser, such review at the Shareholder Representative's sole cost and expense. The Purchaser will permit the Shareholder Representative and its authorized representatives reasonable access to the Books and Records as the Shareholder Representative may reasonably require for the purpose of reviewing the Tax Returns. At least 10 days prior to the filing date for such Tax Returns, the Shareholder Representative, acting reasonably, will provide any comments on the Tax Returns to the Purchaser. The Purchaser will consider in good faith (and, if such comments do not impact the Taxes of the Company for a post-Closing Tax period, will incorporate) all reasonable comments of the Shareholder Representative with respect to such Tax Returns prior to filing.

7.9.2 Amendments or Changes to Previously Filed Tax Returns. Other than as required by Applicable Laws, the Purchaser will not make, refile, amend or change any Tax Return filed by the Company or any subsidiary thereof prior to the Effective Time with any Governmental Authority.

7.10 Insurance Policies.

The Company and each subsidiary will keep all insurance policies that provide coverage for the Company and each such subsidiary as of the Closing Date in full force and effect through at least the close of business on the Closing Date, and will provide for the renewal of all such policies that by their terms will expire prior to the Closing Date.

7.11 280G Waiver and Approval.

With respect to any Company obligation under an Employee Benefit Plan or other agreement, contract, arrangement or plan (or portion thereof) that is an "excess parachute payment" within the meaning of Section 280G of the Internal Revenue Code with respect to the transactions contemplated by this Agreement, the Company will seek approval for the payment of such obligation to any "disqualified individual" (as defined within Section 280G(c))

of the Internal Revenue Code) who has executed the waiver described in the next sentence from the Shareholders in a vote that complies with the requirements of Section 280G(b)(5)(B) of the Internal Revenue Code and the regulations prescribed thereunder. Prior to soliciting the Section 280G vote described in the preceding sentence, the Company will solicit and obtain such written waivers from any such "disqualified individuals" as are required to exempt any such payments from the parachute payment provisions of Section 280G of the Internal Revenue Code.

7.12 Letter of Transmittal

The Company shall forward or cause to be forwarded on behalf of the Company to each Shareholder and each holder of Company Options that will become a Shareholder in accordance with the Arrangement, at the address of such Shareholder or holder of Company Options as it appears on the central securities register of the Company or register of Company Options, as applicable, Letter of Transmittal and instructions for obtaining delivery of the consideration payable to such Shareholder or holder of Company Options.

ARTICLE 8 OBLIGATIONS OF TILRAY

8.1 Filings.

Tilray shall, in accordance with this Agreement and within the time frames prescribed under Applicable Laws, make such filings with and pay such fees to securities regulatory authorities, including the British Columbia Securities Commission and, if applicable the NASDAQ, as are necessary to ensure that the Stock Consideration issued to the Common Shareholders pursuant to exemptions from the prospectus and registration requirements of applicable securities regulatory legislation rules and regulations and that such Stock Consideration is listed and posted for trading on the NASDAQ on their date of issuance.

8.2 Reporting Issuer Status.

Tilray shall use its commercially reasonable efforts to maintain its status as a "reporting issuer" in a province of Canada and not in default of applicable securities laws, provided that Tilray shall not be required to comply with this Section 8.2 following the completion of a merger, amalgamation, arrangement, business combination or take-over bid pursuant to which the Tilray Shares cease to be listed on the NASDAQ.

8.3 Listing of Tilray Shares.

Tilray shall use commercially reasonable efforts to maintain the listing of the Tilray Shares on the NASDAQ, or such other recognized stock exchange or quotation system, provided that Tilray shall not be required to comply with this Section 8.3 following the completion of a merger, amalgamation, arrangement, business combination or take-over bid pursuant to which Tilray ceases to be a "reporting issuer" in a jurisdiction of Canada.

8.4 Milestone Payment Undertaking.

The Purchaser hereby agrees and undertakes to cause the Business to use commercially reasonable efforts distribute and sell CBD products within the United States in accordance with the business plan described on Annex 8 within the Milestone Period so as to achieve the targets set forth in Annex 2; provided, however, if the Purchaser determines in good faith, after consultation with William B. Chiasson, assuming that he is Chief Executive Officer of Manitoba Harvest at the relevant time, during the Milestone Period that a modification of the business plan, including but not limited to the proposed SKUs, is in the best interests of the Business, the Company may deviate from the business plan described in Annex 8 provided that such deviation is not reasonably expected to have an adverse impact on the ability of the Company to achieve the targets set out in Annex 2. For purposes of this Section 8.4, the Purchaser shall not be required to take any action that violates Applicable Laws.

ARTICLE 9 SURVIVAL AND INDEMNIFICATION

9.1 Survival.

9.1.1 The Parties hereby agree that the representations and warranties contained in this Agreement will not merge on Closing but will survive the Closing subject to the following:

9.1.1.1 the representations and warranties of the Shareholders contained in Article 4 (Representations and Warranties of each Shareholder) other than clause (ii) of Section 4.4 and the representations and warranties of the Company contained in Section 5.1 (Organization and Authorization), Section 5.2(ii) and (iii) (Organizational Documents and Corporate Records), Section 5.3.1(i) and (ii)(A) (No Conflicts); Section 5.4 (Capitalization), Section 5.16.1 (Title to Assets) and Section 5.37 (No Broker) (collectively, the "**Fundamental Representations**") will survive indefinitely or until the latest date permitted by Applicable Laws;

9.1.1.2 the representations and warranties of the Shareholders contained in Section 5.24 (Tax Matters), Section 5.25 (Environmental Matters) and Section 5.30 (Employee Benefit Matters) will terminate ninety (90) days after the expiration of the statute of limitations applicable to the matters covered thereby (giving effect to any waiver, mitigation or extension thereof) granted prior to the Closing, or after the Closing with the consent of the Shareholder Representative (not to be unreasonably withheld, conditioned or delayed);

9.1.1.3 the representations and warranties of the Purchaser contained in Section 6.1 (Organization and Authorization), Section 6.2 (Authorization), Section 6.3.1 (No Conflicts); Section 6.4 (Capitalization), Section 6.6 (Certificates), 6.7 (Due Issuance) and Section 6.10 (No Broker) will survive indefinitely or until the latest date permitted by Applicable Laws; and

9.1.1.4 all other representations and warranties contained in this Agreement will terminate 18 months after the Closing Date.

9.1.2 The indemnity set forth in Section 9.2.6 will survive for a period of 18 months after the Closing Date.

9.1.3 The covenants and agreements contained in this Agreement and in any Ancillary Agreement will not merge on Closing but will survive the Closing and will continue until the date explicitly specified therein or, if not so specified, indefinitely or until the latest date permitted by Applicable Laws.

9.1.4 Notwithstanding anything else contained in this Agreement, any breach of any representation, warranty, covenant or agreement in respect of which indemnification may be sought under this Article 9 or any matter for which the Shareholders are obligated to indemnify under this Article 9 will survive the time at which it otherwise would terminate pursuant to this Agreement if a Claim Notice of the inaccuracy or breach thereof or in respect of the indemnifiable matter thereunder giving rise to such right of indemnification will have been given to the Indemnifying Party within the applicable survival period.

9.2 Indemnity by the Shareholders.

Each Shareholder shall, severally and not jointly, indemnify the Purchaser and its Affiliates and their respective directors, officers, employees and agents (the "**Purchaser Indemnified Parties**") and save them fully harmless against, and will reimburse them for, any Damages arising from, in connection with or related in any manner whatsoever to:

9.2.1 any incorrectness in or breach of any representation or warranty of such Shareholder contained in this Agreement;

9.2.2 any incorrectness in or breach of any representation or warranty of the Company contained in Article 5; and

9.2.3 any breach or any non-fulfilment of any covenant or agreement on the part of such Shareholder or the Company contained in this Agreement;

9.2.4 any Taxes required to be paid by the Company (and any successor thereto) relating or attributable to (a) any Pre-Closing Period, or (b) the portion of a Straddle Period ending immediately prior to the Closing Date, in each case, except to the extent such Taxes were taken into account in determining the Working Capital or Indebtedness on the Closing Date;

9.2.5 except to the extent such Indebtedness was taken into account in the Closing Date Adjustment, all Indebtedness incurred or accrued in respect of periods prior to the Effective Time; and

9.2.6 all Liabilities arising from the matter described in Section 9.2.6 of the Disclosure Letter.

For greater certainty and without limiting the generality of the provisions of Sections 9.2.1 and Section 9.2.2, the indemnification provided for in Section 9.2.3 through 9.2.6 shall extend to any Damages arising from any act, omission or state of facts that occurred or existed prior to the Effective Time, and whether or not disclosed in any Disclosure Schedule.

9.3 Indemnity by the Purchaser.

Tilray and the Purchaser shall jointly and severally indemnify the Shareholders and their Affiliates and their respective directors, officers, employees and agents and save them fully harmless against, and will reimburse them for, any Damages arising from, in connection with or related in any manner whatsoever to:

9.3.1 any incorrectness in or breach of any representation or warranty of the Purchaser and Tilray contained in this Agreement; and

9.3.2 any breach or any non-fulfilment of any covenant or agreement on the part of the Purchaser or Tilray contained in this Agreement.

For greater certainty and without limiting the generality of the provision of Section 9.3.1, the indemnification provided for in Section 9.3.2 shall extend to any Damages arising from any act, omission or state of facts that occurred or existed prior to the Effective Time.

9.4 Claim Notice.

9.4.1 If an Indemnified Party becomes aware of any act, omission or state of facts that may give rise to Damages in respect of which a right of indemnification is provided for under this Article 9, the Indemnified Party shall promptly give written notice thereof (a "**Claim Notice**") to the Indemnifying Party. The Claim Notice shall specify whether the potential Damages arise as a result of a claim by a Person against the Indemnified Party (a "**Third Party Claim**") or whether the potential Damages arise as a result of a claim directly by the Indemnified Party against the Indemnifying Party (a "**Direct Claim**"), and shall also specify with reasonable particularity (to the extent that the information is available):

9.4.1.1 the factual basis for the Direct Claim or Third Party Claim, as the case may be; and

9.4.1.2 the amount of the potential Damages arising therefrom, if known.

9.4.2 If, through the fault of the Indemnified Party, the Indemnifying Party does not receive a Claim Notice in time effectively to contest the determination of any liability susceptible of being contested or to assert a right to recover an amount under applicable insurance coverage, then the liability of such Indemnifying Party to the Indemnified Party under this Article 9 shall be reduced only to the extent that Damages are actually incurred by such Indemnifying Party resulting from the Indemnified Party's failure to give the Claim Notice to such Indemnifying Party on a timely basis. Nothing in this Section 9.2 shall be construed to affect the time within which a Claim Notice must be delivered pursuant to Sections 9.5 in order to permit recovery pursuant to Section 9.2.

9.5 Time Limits for Claim Notice for Breach of Representations and Warranties.

9.5.1 No Damages may be recovered from the Shareholders pursuant to Section 9.2.1 or 9.2.2 unless a Claim Notice is delivered by the Indemnified Party prior to the expiration of the applicable survival period set out in Section 9.1.1; provided that:

9.5.1.1 if the Claim Notice has been delivered prior to the expiration of the applicable survival period set out in Section 9.1.1, but is unresolved at the conclusion of such period, or

9.5.1.2 if in respect of a Fraud Claim,

then notwithstanding the foregoing time limitations, the rights of indemnification in this Article 9 and the liability for such claim will continue beyond the expiration of such period until such claim is resolved.

9.5.2 This Section 9.5 shall not be construed to impose any time limit on an Indemnified Party's right to assert a claim to recover Damages under Sections 9.2.3 through 9.2.6, whether or not the basis on which such a claim is asserted could also entitle the Purchaser to make a claim for Damages pursuant to Section 9.2.1 or 9.2.2, respectively.

9.6 Monetary Limitations.

9.6.1 No Damages may be recovered from the Shareholder pursuant to Section 9.2.2, other than in respect of the Fundamental Representations, unless and until the accumulated aggregate amount of Damages of the Indemnified Party arising pursuant to Section 9.2.2 exceeds \$2,000,000, in which event, subject to Section 9.6.2, the accumulated aggregate amount of all such Damages may be recovered.

9.6.2 No Damages may be recovered from the Shareholders pursuant to (a) Section 9.2.2 for breaches of non-Fundamental Representations in excess of the Recourse Amount or (b) Sections 9.2.2 for breaches of Fundamental Representations or Section 9.2.1 or Sections 9.2.3 through 9.2.5, in excess of the aggregate value of the Cash Consideration and Stock Consideration (at the time of its issuance) received by the Shareholders.

9.6.3 No Damages may be recovered from the Shareholders pursuant to Section 9.2.6 in excess of \$12,800,000.

9.6.4 No Damages may be recovered from the Purchaser or Tilray, taken together, pursuant to (a) Section 9.3.1 for breaches of 6.3.2, 6.5, 6.8 or 6.9 in excess of the Recourse Amount, or (b) Sections 9.3.1 for breaches of Section 6.1, 6.2, 6.3.1; 6.4, 6.6, 6.7 or 6.10 or Sections 9.3.2, in excess of the aggregate value of the Cash Consideration and Stock Consideration (at the time of its issuance) payable to the Shareholders hereunder.

9.6.5 Notwithstanding the foregoing, Sections 9.6.1, 9.6.2, 9.6.3 and 9.6.4 will not apply to limit an Indemnifying Party's obligations and liability for Fraud Claims.

9.6.6 The amount of any Damages subject to indemnification under Section 9.2 shall be calculated net of insurance proceeds under the R&W Insurance Policy actually received by the Purchaser Indemnified Parties on account of such Damages, net of the aggregate amount of all costs and expenses (including reasonable attorneys' fees and expenses) of recovery or collection, including any deductibles, retentions or similar costs or payments and any increases in premiums (collectively, "Recovery Costs"). In the event that an insurance recovery under R&W Insurance Policy is actually received by any Purchaser Indemnified Party with respect to any Damages for which any such Purchaser Indemnified Party has been indemnified hereunder, then a refund shall be made to the Shareholders by the Purchaser Indemnified Party in an amount equal to the lesser of (1) the aggregate amount of the recovery actually received by such Purchaser Indemnified Party, net of any Recovery Costs, and (2) the amount of the indemnification payment previously received by such Purchaser Indemnified Party with respect to such Damages.

9.7 Calculation of Damages.

For greater certainty, for the purposes of determining whether there has been a breach of a representation or warranty and for calculating the amount of Damages under this Article 9 resulting therefrom, the representations and warranties of the Shareholders contained in this Agreement shall be deemed to have been made without qualifications as to materiality where the words or phrases "material", "immaterial", "in all material respects" or words or phrases of similar import are used, such that the amount of Damages payable to a Purchaser Indemnified Party is not subject to any deduction in respect of amounts below the level of materiality stated in the relevant representation and warranty.

9.8 Agency for Non-Parties.

Notwithstanding Section 13.7, the Purchaser hereby accepts each indemnity in favour of each Purchaser Indemnified Party who is not a party to this Agreement as agent and trustee of that Indemnified Party. The

Purchaser may enforce an indemnity in favour of any Purchaser Indemnified Party on behalf of such Purchaser Indemnified Party.

9.9 Direct Claims.

In the case of a Direct Claim, each Indemnifying Party shall have 30 days from receipt of a Claim Notice in respect thereof within which to make such investigation as the Indemnifying Party considers necessary or desirable. For the purpose of such investigation, the Indemnified Party shall make available to the Indemnifying Party the information relied upon by the Indemnified Party to substantiate its right to be indemnified under this Article 9, together with all such other information as the Indemnifying Party may reasonably request. If the Indemnifying Party and Indemnified Party fail to agree at or before the expiration of such 30 day period (or any mutually agreed upon extension thereof), the Indemnified Party shall be free to pursue such remedies as may be available to it.

9.10 Third Party Claims.

9.10.1 In the event a Claim Notice is delivered with respect to a Third Party Claim, the Indemnifying Party shall have the right, at its expense, to participate in but not control the negotiation, settlement or defence of the Third Party Claim, which control shall rest at all times with the Indemnified Party. The Indemnified Party will have the exclusive right to contest, settle or pay the amount claimed; provided, however, that except with the written consent of the Indemnifying Party, no settlement with respect to such Third Party Claim will be determinative of whether the Indemnified Party is entitled to indemnification pursuant to this Article 9 or the amount of such indemnification, if any.

9.10.2 If any Third Party Claim is of a nature such that it is necessary in the reasonable view of the Indemnified Party acting in a manner consistent with reasonable commercial practices, in respect of (A) a Third Party Claim by a customer relating to products or services supplied by the Business or (B) a Third Party Claim relating to any contract which is necessary to the ongoing operations of the Business or any material part thereof in order to avoid material damage to the relationship between the Indemnified Party and any of its major customers or to preserve the rights of the Indemnified Party under such an essential contract, to make a payment to any Person (a "**Third Party**") with respect to the Third Party Claim before the completion of settlement negotiations or related Actions, as the case may be, then the Indemnified Party may make such payment and the Shareholders shall, promptly after demand by the Indemnified Party, reimburse the Indemnified Party for such payment. If the amount of any liability of the Indemnified Party under the Third Party Claim in respect of which such a payment was made, as finally determined, is less than the amount which was paid by the Indemnifying Party to the Indemnified Party, the Indemnified Party shall, promptly after receipt of the difference from the Third Party, pay the amount of such difference to the Indemnifying Party.

9.11 Right to Recover.

9.11.1 Except in the case of Fraud Claims, the Purchaser Indemnified Parties' right to recover for Damages (A) in the case of any claims made pursuant to Sections 9.2.1 and 9.2.2, subject to Section 9.6.1, shall first be satisfied from the Shareholders (on a several basis), in each case up to a maximum of such Shareholder's Pro Rata Portion of the Recourse Amount, and (B) thereafter, in the case of any claims made pursuant to Sections 9.2.1 or 9.2.2, from the R&W Insurance Policy. Notwithstanding any other provision of this Agreement to the contrary, except in the case of Fraud Claims and in respect of claims for breaches of Fundamental Representations, after Closing, to the extent that Damages incurred under Sections 9.2.1 and 9.2.2 (collectively, the "**Insured Losses**") are subject to an indemnification obligation of a Shareholder under this Article 9, the R&W Insurance Policy shall be the sole and exclusive remedy of the Purchaser Indemnified Parties for such Insured Losses after the payment of Damages to the Purchaser Indemnified Parties for indemnification claims from the Shareholders' Pro Rata Portion of the Recourse Amount. Such sole recourse will apply, and the Shareholders will have no additional liability therefor, even in circumstances where the R&W Insurance Policy does not cover such Damages, including, without limitation, as a result of exclusions, limitations and deductions in respect of the R&W Insurance Policy. For greater certainty, the Purchaser Indemnified Parties shall be entitled to seek indemnification from the Shareholders with respect to (but subject to any applicable limitations and conditions set forth in this Article 9) any Damages in connection with (A) any Fraud Claim and (B) any claim for a breach of a Fundamental Representation in the case where the Damages from such breach exceed the sum of the Recourse Amount

and the limit under the R&W Insurance Policy, in which case the Purchaser Indemnified Parties shall be entitled to seek indemnification from the Shareholders for such excess (subject to the limitation contained in Section 9.6.2).

9.12 **Set-off.**

The Purchaser may, without duplication, set-off and deduct the amount of any Damages subject to indemnification under this Agreement against any other amounts payable by the Purchaser to the applicable Shareholders under this Agreement; provided that any such amounts, other than amounts payable in accordance with Section 2.8, so set-off and deducted without the written consent of the Shareholder Representative thereto will be paid into an escrow with a nationally recognized escrow agent pending release upon settlement or a non-appealable judgement of a court of competent jurisdiction.

9.13 **Exclusive Remedy.**

From and after the completion of the sale and purchase of the Company Shares herein contemplated, except in the case of Fraud Claims, the rights of indemnity set out in this Article 9 are the sole and exclusive remedies of the Parties in respect of any incorrectness in or breach of any representation or warranty included in this Agreement.

9.14 **Insurance Recoveries**

The amount of any Damages for which indemnification is provided under this Article 9 will be net of any amounts actually recovered by the Indemnified Party under insurance policies (net of any costs of recovery and increased premiums).

9.15 **Mitigation.**

Nothing in the Article 9 shall relieve a Party of its obligation under Applicable Laws to mitigate Damages.

ARTICLE 10 **CONDITIONS PRECEDENT**

10.1 **Conditions to the Obligations of the Parties.**

The obligations of the Parties to complete the Contemplated Transactions are subject to the satisfaction or (to the extent permitted by Applicable Laws) waiver by the Purchaser and the Shareholder Representative on or prior to the Closing Date, of each of the following conditions:

10.1.1 Governmental Approvals. All consents, approvals and actions of or by, and all filings with and notifications to, any Governmental Authority required to complete the Contemplated Transactions will have been obtained, taken or made, as applicable, on terms satisfactory to the Purchaser and the Shareholder Representative, acting reasonably, and will remain in full force and effect.

10.1.2 No Prohibitions. No Order will have been made, no provision of any Applicable Law and no Action will have been commenced or will be pending or threatened against any Party (i) for the purpose of enjoining, restricting or prohibiting the completion of the Contemplated Transactions, (ii) the possible outcome of which could prohibit or restrict the Company and its subsidiaries from carrying on the Business in the ordinary course after the Closing or (iii) that will prohibit or otherwise challenge the legality or validity of the Contemplated Transactions.

10.1.3 Arrangement. The Court shall have determined that the terms and conditions of the Arrangement are procedurally and substantively fair to the Shareholders and the Interim Order and the Final Order shall each have been obtained on terms consistent with this Agreement, and shall not have been set aside or modified in a manner unacceptable to either the Company or the Purchaser, acting reasonable, on appeal or otherwise, and the Articles of Arrangement, to be sent to and filed with the Director in accordance with

this Agreement and the BCBCA, are in form and content satisfactory to each of the Company and the Purchaser, each acting reasonably.

10.2 Conditions to the Obligations of the Company.

The obligations of the Company to complete the Contemplated Transactions are subject to the satisfaction or (to the extent permitted by Applicable Laws) waiver by the Shareholder Representative, on or prior to the Closing Date, of each of the following further conditions:

10.2.1 Accuracy of Representations and Warranties. Each of the representations and warranties of the Purchaser set out in this Agreement; (i) that is qualified by materiality will be true and correct in all respects; and (ii) that is not so qualified will be true and correct in all material respects, in each case at and as of the Closing Date as if made on and as of the Closing Date (except to the extent that any such representations and warranties speak expressly as of an earlier date, in which case they will be true and correct, or true and correct in all material respects, as the case may be, as of such earlier date).

10.2.2 Performance of Covenants. The Purchaser will have performed or complied in all material respects with all covenants, agreements and obligations required by this Agreement to be performed or complied with by the Purchaser on or prior to the Closing Date.

10.3 Conditions to the Obligations of Purchaser.

The obligations of the Purchaser to complete the Contemplated Transactions are subject to the satisfaction or (to the extent permitted by Applicable Laws) waiver by the Purchaser, on or prior to the Closing Date, of each of the following further conditions:

10.3.1 Accuracy of Representations and Warranties. Each of the representations and warranties of the Shareholders and the Company set out in this Agreement and in any certificate or other writing delivered by them pursuant hereto: (i) that is qualified by materiality or Company Material Adverse Effect will be true and correct in all respects; and (ii) that is not so qualified will be true and correct in all material respects, in each case at and as of the Closing Date as if made on and as of the Closing Date (except to the extent that any

10.3.2 Performance of Covenants. The Company will have performed or complied in all material respects with all covenants, agreements and obligations required by this Agreement to be performed or complied with by the Company on or prior to the Closing Date.

10.3.3 No Company Material Adverse Effect . Between the date of this Agreement and the Closing Date, there will have been no Company Material Adverse Effect.

10.3.5 Third Party Consents. The Company and each applicable subsidiary thereof will have obtained the written consents of, or given notifications (to the extent only notification is required) to, each of the third parties set out in Annex 9, in each case in form and substance reasonably satisfactory to the Purchaser, and all such consents will remain in full force and effect.

10.3.6 Board Approval. The board of directors of the Company will have unanimously recommended that the holders of Company Shares vote in favour of the Arrangement and will have not withdrawn such recommendation.

ARTICLE 11 **TERMINATION**

11.1 **Grounds for Termination.**

Notwithstanding anything contained in this Agreement to the contrary, this Agreement may be terminated and the Contemplated Transactions may be abandoned at any time prior to the Closing:

11.1.1 by the mutual written agreement of the Purchaser and the Company;

11.1.2 by the Purchaser in the event of a breach of any representation, warranty, covenant or agreement of the Company contained herein shall have occurred that would cause the conditions set out in Sections 10.1 and 10.3 not to be satisfied and has not been cured within 5 days following notice of such breach by the Purchaser to the Shareholder Representative, and such conditions are incapable of being satisfied by the Outside Date as reasonably determined by the Purchaser; provided, however, that there will be no right to terminate if such breach was caused, in whole or in part, by a breach by the Purchaser. For greater certainty, any failure by the Company to satisfy any of the conditions of Closing contained in Section 10.3 will be deemed to be a material breach of a covenant and agreement of this Agreement by the Company

provided that the cause of such failure by the Company to satisfy such condition was not the result, in whole or in part, of any breach of this Agreement by the Purchaser;

11.1.3 by the Company in the event of a breach of any representation, warranty, covenant or agreement of the Purchaser or Tilray contained herein, shall have occurred that would cause the conditions set out in Sections 10.1 and 10.2 not to be satisfied and has not been cured within 5 days following notice of such breach by the Shareholder Representative to the Purchaser, and such conditions are incapable of being satisfied by the Outside Date as reasonably determined by the Company; provided, however, that there will be no right to terminate if such breach was caused, in whole or in part, by a breach by the Company. For greater certainty, any failure by the Purchaser to satisfy any of the conditions of Closing contained in Section 10.2 will be deemed to be a material breach of a covenant and agreement of this Agreement by the Purchaser, provided that the cause of such failure the Purchaser to satisfy such condition was not the result, in whole or in part, of any breach of this Agreement by the Company;

11.1.4 by the Purchaser or the Company if any Governmental Authority will have issued a final and non-appealable order, decree or judgment permanently restraining, enjoining or otherwise prohibiting the completion of the Contemplated Transactions or any Governmental Authority (including Health Canada) has refused to provide a consent or approval set out, or required by the terms of this Agreement to be set out, in Section 5.3 of the Disclosure Schedule; or

11.1.5 provided that the NASDAQ has completed its review of the Contemplated Transactions, by the Purchaser or the Company if the Closing will not have occurred on or before April 30, 2019 (or such later date as may be agreed to in writing by the Purchaser and the Company) (the "Outside Date"); provided, however, that the right to terminate this Agreement under this Section 11.1.5 will not be available to any Party whose failure to fulfill any obligation under, or breach of any provision of, this Agreement will have been the cause of, or will have resulted in, the failure of the Closing to occur on or before the Outside Date.

11.2 Notice of Termination.

Any Party desiring to terminate this Agreement pursuant to Section 11.1 will give written notice of such termination to the other Parties to this Agreement in accordance with Section 13.2.

11.3 Effect of Termination.

11.3.1 If this Agreement is terminated pursuant to this Article 11, this Agreement will forthwith become void and of no further force and effect and all rights and obligations of the Parties hereunder will be terminated without further liability of any Party to any other Party; provided, however, that: (i) the provisions of this Section 11.3 and Article 13, and the rights and obligations of the Parties thereunder, will survive any such termination; and (ii) nothing herein will relieve any Party from liability for any Fraud Claim under this Agreement prior to the date of termination.

11.3.2 If this Agreement is terminated by the Purchaser or the Company under Section 11.1.2 or 11.1.3, respectively, then the Company or the Purchaser, respectively, shall remain fully liable for any and all Damages sustained or incurred by the Purchaser or the Company, respectively, directly or indirectly as a result thereof. For the purposes of this Section 11.3.2, Damages shall include all fees, costs and expenses incurred in connection with this Agreement and the Plan of Arrangement.

ARTICLE 12 **SHAREHOLDER REPRESENTATIVE**

12.1 Appointment.

By virtue of the execution, delivery and performance of this Agreement in exchange for consideration pursuant to this Agreement, the Shareholders irrevocably nominate, constitute and appoint the Shareholder Representative as the agent and true and lawful attorney in fact of the Shareholders, with full power of substitution, to act in the name, place and stead of the Shareholders for purposes of (i) executing any documents and taking any actions that the Shareholder Representative may, in the Shareholder Representative's sole discretion, determine to be necessary, desirable or appropriate in connection with any claim for indemnification, compensation or reimbursement under Article 9 and (ii) doing all things and performing all acts, as contemplated by or deemed

advisable by the Shareholder Representative in connection with this Agreement, including receiving any notice or other document required to be given to the Shareholders, giving any notice or providing any other document to be given or provided by the Shareholders and, except as otherwise specifically provided herein, receiving payment of any amounts to be paid to the Shareholders hereunder. The Shareholder Representative hereby accepts such appointment as the agent and true and lawful attorney in fact of the Shareholders. The Shareholders recognize and intend that the power of attorney granted in this Article 12 is coupled with an interest and is irrevocable, may not be delegated by the Shareholder Representative and will survive the death, incapacity, dissolution, liquidation or winding up of each of the Shareholders.

12.2 Authority; Reliance

The Shareholders grant to the Shareholder Representative full authority to execute, deliver, acknowledge, certify and file on behalf of the Shareholders (in the name of any or all of the Shareholders or otherwise) any and all documents that the Shareholder Representative may, in the Shareholder Representative's sole discretion, determine to be necessary, desirable or appropriate, in such forms and containing such provisions as the Shareholder Representative may, in the Shareholder Representative's sole discretion, determine to be appropriate, in performing the Shareholder Representative's duties as contemplated by this Article 12; provided, however, that the Shareholder Representative will have no obligation to act on behalf of the Shareholders except as expressly provided herein. Notwithstanding anything to the contrary contained in this Agreement or in any other agreement executed in connection with the transactions contemplated herein, (i) each Indemnified Party will be entitled to deal exclusively with the Shareholder Representative on all matters relating to any claim for indemnification, compensation or reimbursement under this Agreement and (ii) the Purchaser, Tilray and each Indemnified Party will be entitled to rely conclusively (without further evidence of any kind whatsoever) on any document executed or purported to be executed on behalf of any Shareholder, by the Shareholder Representative, and on any other action taken or purported to be taken on behalf of any Shareholder, by the Shareholder Representative, as fully binding upon such Shareholder.

12.3 Replacement.

If the Shareholder Representative is unable to fulfill the Shareholder Representative's responsibilities hereunder, the Shareholders will, within 10 days after such inability, appoint a successor to the Shareholder Representative (who will be reasonably satisfactory to the Purchaser) and immediately thereafter notify the Purchaser of the identity of such successor. Any such successor will succeed the Shareholder Representative as the agent and true and lawful attorney in fact of the Shareholders hereunder.

ARTICLE 13 GENERAL PROVISIONS

13.1 Arbitration.

13.1.1 Except as otherwise provided in this Agreement, all disputes, controversies or claims arising out of, relating to, or in respect of this Agreement, including any issue regarding its existence, validity, enforceability, interpretation, breach or termination (each a "Dispute") shall be resolved in accordance with the following.

13.1.1.1 any Dispute that the Parties are unable to amicably resolve or settle between themselves through negotiations between the Parties within fifteen (15) Business Days (or such longer period as is expressly provided for in this Agreement or which the Parties may mutually agree to in writing) of a Party being provided notice of such Dispute or difference in accordance with Section 13.2 (the "Consultation Period") shall be referred to and finally determined by final and binding arbitration. The arbitration shall be confidential and shall be conducted by one independent and impartial arbitrator selected in accordance with the terms of this Agreement (the "Arbitrator");

13.1.1.2 the arbitration shall be governed by the *Commercial Arbitration Act* (British Columbia) to the extent that such rules do not conflict with the terms of this Section 13.1;

13.1.1.3 the arbitration shall be seated in the City of Vancouver and the arbitration agreement set out in this Agreement shall be governed by and construed in accordance with the laws of the Province of British Columbia. The language of the arbitration shall be English;

13.1.1.4 within thirty (30) days following the expiration of the Consultation Period, the Parties agree to jointly select the Arbitrator who shall be trained in the laws of British Columbia. The Arbitrator shall be impartial and independent of the Parties and shall be experienced and knowledgeable about the subject matter of the Dispute (generally and not as to the express facts concerning the Dispute). If the Parties are unable to agree upon the Arbitrator, either Party may apply to elect an Arbitrator in accordance with the provisions of the *Commercial Arbitration Act* (British Columbia);

13.1.1.5 it is specifically acknowledged and confirmed that any Dispute that cannot be resolved between the Parties prior to the expiry of the Consultation Period shall be submitted to arbitration irrespective of the magnitude thereof or the amount in question;

13.1.1.6 the Arbitrator shall have jurisdiction: (i) to apply all Applicable Laws, common law and equity (including the scope of the agreement to arbitrate, any statute of limitations, conflict of laws rules, tort claims and interest claims); and (ii) to make an award or awards in respect of interest and the payment of the costs of the arbitration (including arbitrators' fees and the legal costs of the Parties). The Arbitrator also may, where requested by a Party, determine the nature and extent of production of documents and oral depositions;

13.1.1.7 the award of the Arbitrator shall be reduced to writing and be final and binding on the Parties and not subject to any appeal (a "Final Determination"). Any monetary award shall be made and payable, free of any Taxes or other deduction, and shall bear interest from the date of any breach or other violation of this Agreement to the date on which the award is paid, at a rate determined by the Arbitrator;

13.1.1.8 judgment upon the award(s) rendered by the Arbitrator may be entered and executed in any court of competent jurisdiction, or application may be made to such court for a judicial acceptance of the award and order of enforcement;

13.1.1.9 each Party shall bear its own expenses, and the expenses of its Affiliates and associates, of preparing for and participating in connection with the arbitration, including legal fees but the Party against whom judgment is rendered shall bear all legal fees of the Arbitrator; and

13.1.1.10 by agreeing to arbitration, the Parties do not intend to deprive any court of its jurisdiction to issue a pre-arbitral injunction, pre-arbitral attachment or other order in aid of the arbitration proceedings and the enforcement of any award. Without prejudice to such provisional remedies in aid of arbitration as may be available under the jurisdiction of a legal court, the Arbitrator shall have full authority to grant provisional remedies, statutory remedies and to award damages for the failure of the Parties or its representatives to respect the Arbitrator's orders to that effect.

Nothing in this Agreement shall restrict or prohibit a Party from commencing arbitration at any time, including prior to the expiry of a Consultation Period, in order to protect its rights under this Agreement or in relation to a Dispute.

13.1.2 The dispute resolution obligations and processes set out in this Section 13.1 shall be the exclusive and exhaustive Dispute resolution procedures between the Parties and their respective Affiliates and associates, and the decision of the Arbitrator shall be final and binding on the Parties and their respective Affiliates and associates.

13.1.3 Except where reasonably prevented by the nature of the Dispute, the Parties shall continue to perform, and shall cause their respective Affiliates and associates to continue to perform, their respective duties, obligations and responsibilities under this Agreement while the Dispute is being resolved in accordance with this Section 13.1, unless and until such obligations are lawfully terminated or expire in accordance with the provisions thereof.

13.2 Notices.

Any notice, direction or other communication given regarding the matters contemplated by this Agreement (each a "Notice") must be in writing, sent by personal delivery, courier or email transmission (provided that the sender of such email transmission does not receive a delivery failure notice from the intended recipient in respect of such email transmission), or similar means of recorded electronic communication, addressed as follows:

Subject to the foregoing, a Notice is deemed to be given and received on the date on which it was delivered or transmitted if it is a Business Day and the delivery or transmission was made prior to 6:00 p.m. (local time in place of receipt) and otherwise on the next Business Day. A Party may change its address for service from time to time by providing a Notice in accordance with the foregoing. Any subsequent Notice must be sent to the Party at its changed address. Any element of a Party's address that is not specifically changed in a Notice will be assumed not to be changed.

13.3 Counterparts.

This Agreement may be executed and delivered (including by facsimile, "pdf" or other electronic transmission) in any number of counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.

13.4 Amendments and Waivers.

This Agreement may not be amended or waived except by an instrument in writing signed by an authorized representative of each Party. No course of conduct or failure or delay by any Party in exercising any right, power or privilege hereunder will operate as a waiver thereof, nor will any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

13.5 Severability.

Wherever possible, each provision hereof will be interpreted in such manner as to be effective and valid under Applicable Laws, but if any one or more of the provisions contained herein will, for any reason, be held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, such provision will be ineffective to the extent, but only to the extent, of such invalidity, illegality or unenforceability without invalidating the remainder of such invalid, illegal or unenforceable provision or provisions or any other provisions hereof, unless such a construction would be unreasonable.

13.6 Assignment; Successors and Assigns.

Neither this Agreement nor any of the rights, interests or obligations of any Party hereunder may be assigned, delegated or otherwise transferred by such Party, in whole or in part (whether by operation of law or otherwise), without the prior written consent of each other Party and any attempt to make any such assignment, delegation or other transfer without such consent will be null and void; provided, however, that the Purchaser may assign its rights, interests and obligations under this Agreement, without the consent of the other Parties, to any Person who acquires all or substantially all of the assets and business of the Purchaser or to any Affiliate of the Purchaser, subject to the assumption in writing by such Person or Affiliate of the Purchaser's obligations hereunder; and provided, further, that the Purchaser may assign or encumber this Agreement or any of its rights and obligations hereunder as security for any indebtedness of the Purchaser or its Affiliates without the consent of the other Parties. Subject to the preceding sentences, this Agreement will be binding upon, inure to the benefit of and be enforceable by the Parties and their respective successors and permitted assigns.

13.7 No Third Party Beneficiaries.

Nothing in this Agreement, express or implied, is intended or will be construed to confer upon any third party, other than the signatories to this Agreement and their respective successors and assigns permitted by Section 13.6 and except as specifically provided for in Section 9.8, any right, remedy or claim under or by reason of this Agreement.

13.8 Governing Law.

This Agreement and all Disputes and controversies relating to or arising out of this Agreement are governed by and will be interpreted and construed in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein. Each signatory to this Agreement irrevocably attorns and submits to the non-exclusive jurisdiction of the British Columbia courts situated in the City of Vancouver (and appellate courts therefrom) and waives objection to the venue of any proceeding in such court or that such court provides an inappropriate forum.

13.9 Specific Performance.

The Parties agree that irreparable and ongoing damages would occur in the event that any provision of this Agreement were not performed in accordance with its terms or otherwise was breached. Accordingly, each Party agrees that in the event of any actual or threatened breach of this Agreement by another Party, the non-breaching Party will be entitled, in addition to all other rights and remedies that it may have, to obtain injunctive or other equitable relief (including a temporary restraining order, a preliminary injunction and a final injunction) to prevent

any actual or threatened breach of any of such provisions and to enforce such provisions specifically, without the necessity of posting a bond or other security or of proving actual damages. The prevailing Party in any action commenced under this Section 13.9 (whether through a monetary judgment, injunctive relief or otherwise) will be entitled to recover from the other Parties reimbursement for its reasonable legal fees and court costs incurred in connection with such action.

13.10 Interpretation; Absence of Presumption.

13.10.1 The defined terms and headings contained in this Agreement are for reference purposes only and will not affect in any way the meaning or interpretation of this Agreement. In this Agreement, except to the extent otherwise provided herein or that the context otherwise requires: (i) words used in the singular include the plural and words in the plural include the singular; (ii) reference to any gender includes the other gender; (iii) the words "include", "includes" and "including" will be deemed to be followed by the words "without limitation"; (iv) the words "herein", "hereof", "hereto", "hereunder" and words of similar import will be deemed references to this Agreement as a whole and not to any particular Section or other provision hereof; (v) reference to any Article, Section, Exhibit or Annex will mean such Article or Section of, or such Exhibit or Annex to, this Agreement, as the case may be, and references in any Section or definition to any clause means such clause of such Section or definition; (vi) reference to any Applicable Laws will mean such Applicable Laws (including all rules and regulations promulgated thereunder) as amended, modified, codified or reenacted, in whole or in part, and in effect at the time of determining compliance or applicability; and (vii) references to "\$" and "CDN" are to the lawful currency of Canada. Whenever the last day for the exercise of any privilege or the discharge of any duty hereunder will fall upon a day that is not a Business Day, the Party having such privilege or duty may exercise such privilege or discharge such duty on the next succeeding day which is a Business Day.

13.10.2 Each Party acknowledges and agrees that the Parties have participated jointly in the negotiation and drafting of this Agreement. In the event that an ambiguity or a question of intent or interpretation arises, this Agreement will be construed as if drafted jointly by the Parties, and no presumption or burden of proof will arise favoring or disfavoring any Party by virtue of the authorship of any provision of this Agreement.

13.10.3 In the event of any inconsistency between the statements in this Agreement and statements in the Disclosure Schedule or the other schedules referred to herein, the statements in this Agreement will control and the statements in the Disclosure Schedule and the other schedules referred to herein will be disregarded to the extent of such inconsistency.

13.11 Disclosure.

The obligations herein will not prevent any Party from making, after consultation with the other Party, such disclosure as its legal counsel advises is required by Applicable Laws (including in order to comply with continuous disclosure or other requirements under Applicable Laws). For greater certainty, the Shareholders hereby consent to the reasonable disclosure by Tilray, and Tilray and the Purchaser hereby consent to the reasonable disclosure by the Shareholder Representative, of the nature and completion of the Contemplated Transactions to: (i) Governmental Authorities; (ii) the security holders of Tilray or the Shareholder Representative, as applicable; and (iii) in the case of Tilray, any other Person in connection with any financing, offering, licensing, business combination or similar transaction proposed to be undertaken by Tilray; provided that in all cases where Tilray or the Shareholder Representative proposes to make any disclosure of the completion, nature or terms of the Contemplated Transactions (whether with the consent of the other) or in accordance with the foregoing exceptions to the requirement to obtain such consent, the disclosing Party: (x) first advise the other of its intention to do so and it will use commercially reasonable efforts to enable the other to review and comment on such disclosure prior to the release thereof; and (y) in the case of (i) and (ii), advise the Persons to whom the information is being disclosed of the disclosing Party's confidentiality obligations hereunder and shall cause such Persons to hold such information confidential on terms substantially similar to, and no less stringent than, the confidentiality obligations under this Agreement. The Shareholders acknowledge that Tilray may be required, in accordance with Applicable Laws, to publicly disclose the transactions contemplated herein and to file a copy of this Agreement on SEDAR, and in such case Tilray agrees that it shall make such redactions to this Agreement as are permitted under Section 12.2(3) of National Instrument 51-102 ("NI 51-102") (subject to compliance by Tilray with the remaining provisions of Section 12.2 of NI 51-102) with the prior consultation of the Shareholder Representative.

13.12 **Entire Agreement.**

This Agreement (including the Disclosure Schedule and the Annexes and the other schedules referred to herein and which form part hereof) contains the complete agreement among the Parties and supersede any prior understandings, agreements or representations by or among the Parties, whether written or oral, with respect to the subject matter hereof and thereof (including the Letter of Intent). This Agreement may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the Parties. There are no unwritten or oral agreements between the Parties.

Compass Diversified Holdings Announces Sale of Manitoba Harvest to Tilray

Transaction Expected to Result in Sizable Gain on Sale

Compass to Reduce Debt and Strengthen Balance Sheet

Westport, Conn., February 20, 2019 - Compass Diversified Holdings (NYSE: CODI) ("CODI" or the "Company"), an owner of leading middle market businesses, announced today that it has entered into a definitive agreement (the "Agreement") to sell its majority owned subsidiary, FHF Holdings Ltd. ("Manitoba Harvest"), to Tilray Inc. ("Tilray") (NASDAQ: TLRY), a global leader in cannabis research, cultivation, production, and distribution. Under the terms of the Agreement, Manitoba Harvest will be sold to Tilray for an aggregate sales price of up to C\$419 million.

The Company expects to realize a sizable gain on the sale and intends to use the net proceeds to repay outstanding debt under the Company's revolving credit facility.

Commenting on the transaction, Elias Sabo, CEO of Compass Diversified Holdings, stated, "We acquired a majority interest in Manitoba Harvest over three years ago and are proud to have partnered with the company to raise awareness of Hemp as a super food, growing the customer base across North America, more than doubling household penetration in the U.S., and driving category expansion. I want to wish the entire Manitoba team continued success and am thrilled that they will be partnering with a recognized global category leader in Tilray, where they will have an unparalleled opportunity in a rapidly expanding market."

Bill Chiasson, CEO of Manitoba Harvest, added, "With CODI's support, guidance, and patient investment style, Manitoba Harvest has solidified its position as the world's largest vertically integrated hemp food brand. CODI's ability and willingness to make substantial investments into consumer marketing for our leading brands has resulted in a greatly expanded consumer appreciation of hemp-based food products, accelerating sales growth, and a ubiquitous market presence in highly desirable retail locations. I would like to thank CODI for all that they have done to bring Manitoba Harvest to the transformative market opportunity that we are realizing today."
